

Easy Pallet Transport Truck

(Stainless Steel Series)

Our stainless steel pallet trucks are made of acid resistant steel, which is strongest and most corrosion resistant material to different acids and salts.

With a rated capacity of 5511 lbs TM hand pallet truck is rugged, reliable for all working condition.

The design prevent industrial injuries and strain on the user - focus is put on safety and ergonomic working condition of the user. The ergonomically correct shape of the handle ensures a relax hold for the user.

High quality is ensured through an extended test programme and in cooperation with expert in health and safety.
